

# Fly Fishing Tuition

[www.wyesalmon.com](http://www.wyesalmon.com)

Learn to fly fish and cast with the experts. Wye Salmon Association (WSA) are offering a one day **Spey Casting Course** for adults and a **Fly Fishing Course** for youngsters between the ages of 10 and 16 years. The two one day introduction courses run with the kind support of experts Frank Williams APGAI ([www.frankwilliamsflyfishing.co.uk](http://www.frankwilliamsflyfishing.co.uk)), Chris Price APGAI & FFF ([www.castingwithstyle.co.uk](http://www.castingwithstyle.co.uk)) and with equipment supplied by the Monnow Rivers Association ([www.monnow.org](http://www.monnow.org)) will take place on the **River Wye at Letton Court, near Hay on Wye on Thursday 23rd August 2012 starting at 10am and finishing at 5pm.**

## Junior Fly Fishing Course

Fly fishing offers an enjoyable day out and for youngsters keen to try new experiences it could become a hobby that will give them pleasure, as it has us, for their entire lives. **The cost will be £10 per child. Rods, reels, and other fishing tackle along with a BBQ lunch, included in the cost, will be provided.** Sunglasses or prescription glasses and hats are compulsory and youngsters should come equipped with wellingtons, warm clothing and wet weather gear just in case. The course will aim to be a good day out whilst encouraging youngsters to take up fly

fishing as a pastime. We hope to give each youngster a sense of achievement and instructors will praise them at every opportunity in order to build their confidence. We will build in natural breaks to cater for shorter attention spans and physical tiredness of participants, particularly the younger ones. The success of the day will be judged by the size of the smile on the youngsters' faces at the end. Depending on the age of the child, it may be an idea to involve his or her parent as well. We can teach both at the same time at no extra cost, making the course more interesting for the youngster (particularly if they fare better than their parent).

## Spey Casting Course

For adults only [over 16]. Spending time with a qualified instructor is the easiest way of learning the sport of fly fishing and becoming a proficient caster. There is no substitute for having an instructor on your shoulder to show you how to use your equipment efficiently and correct your faults as they occur. The course is open to all grades of caster from beginners upwards. You will need to bring rods, reels and other fishing tackle, although we will have some tackle available. When booking please let us know if tackle is required. **The cost of the course is £10 per person plus a donation** to the WSA Semi Natural Rearing Pond Project, read more on our website ([www.wyesalmon.com](http://www.wyesalmon.com)). A BBQ lunch and drinks will be available. Sportfish of Winforton will have a display of rods and reels available for viewing and testing.

All funds and donations from the day will be in aid of the **WSA Semi Natural Rearing Pond [SNR] Project.**

Letton Court Fishery on the River Wye used by kind permission of Andrew Cameron, Letton Estate and Brian Powell, Three Counties Fishery.

If you or your son(s) and or daughter(s) wish to participate, or wish further details **contact Stuart Smith on 07789133263 or [stuartsmith@wesalmon.com](mailto:stuartsmith@wesalmon.com)** Why not make a family day out in the wonderful surroundings of the Wye Valley
